

Orsini2

TRACK SPOTLIGHT | DALI SERIES

A flexible and adjustable spotlight that emphasizes areas in your store or gallery. The spotlight will answer your requirements through simple and efficient design that offers an adjustable light beam angle between 20° and 26° for directional and accent lighting.

Orsini2 has several series, determined by various add-on and controls:

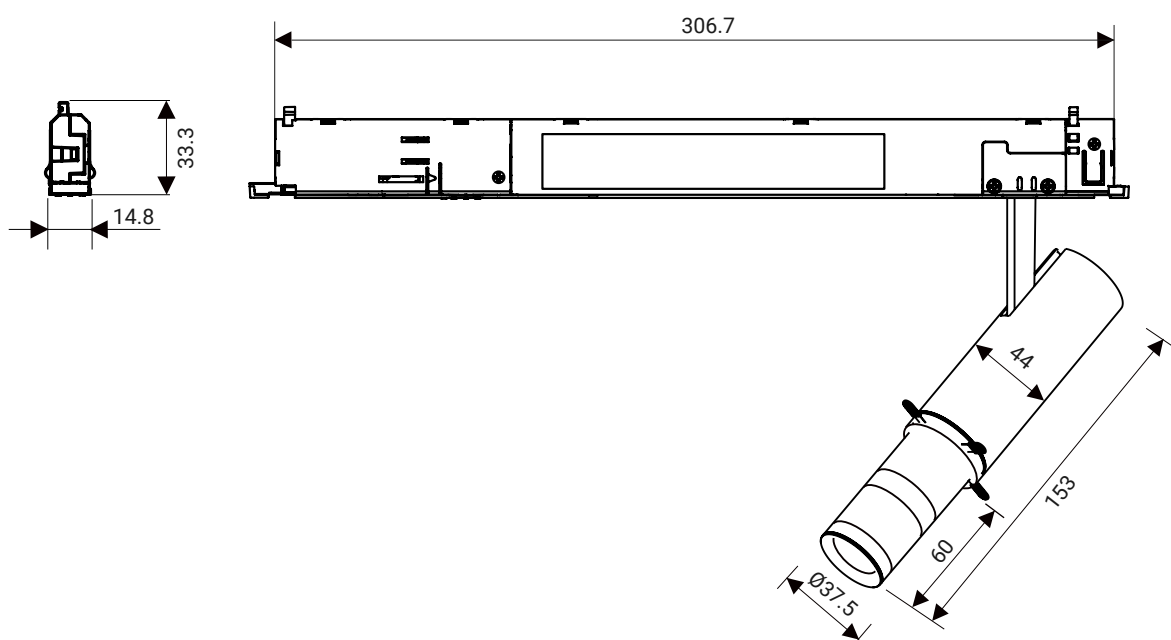

- Orsini Non-DALI: the standard version
- Orsini DALI – with DALI controls for illumination adjustments
